# ► WHAT IS THE ISSUE? THE NEED?

**SAINT JOSEPH'S COLLEGE**  
OF MARIAN UNIVERSITY  
INDIANAPOLIS

[marian.edu/saintjoeindy](https://marian.edu/saintjoeindy)

# What is the Issue? The Need?

- Education and Employment Systems
  - Do not meet in the middle, to provide smooth transitions
- Changing labor market
  - Technology infused across all industries – creating/eliminating jobs
  - Industry requires both soft- and hard-skills
- Higher Ed. – traditional model doesn't work for everyone
  - Student debt vs. career salaries
  - Problem-transfer (the issue of silos)

# ► WHAT WE DO, AND HOW WE DO IT.

# What We Do, and How We Do It.

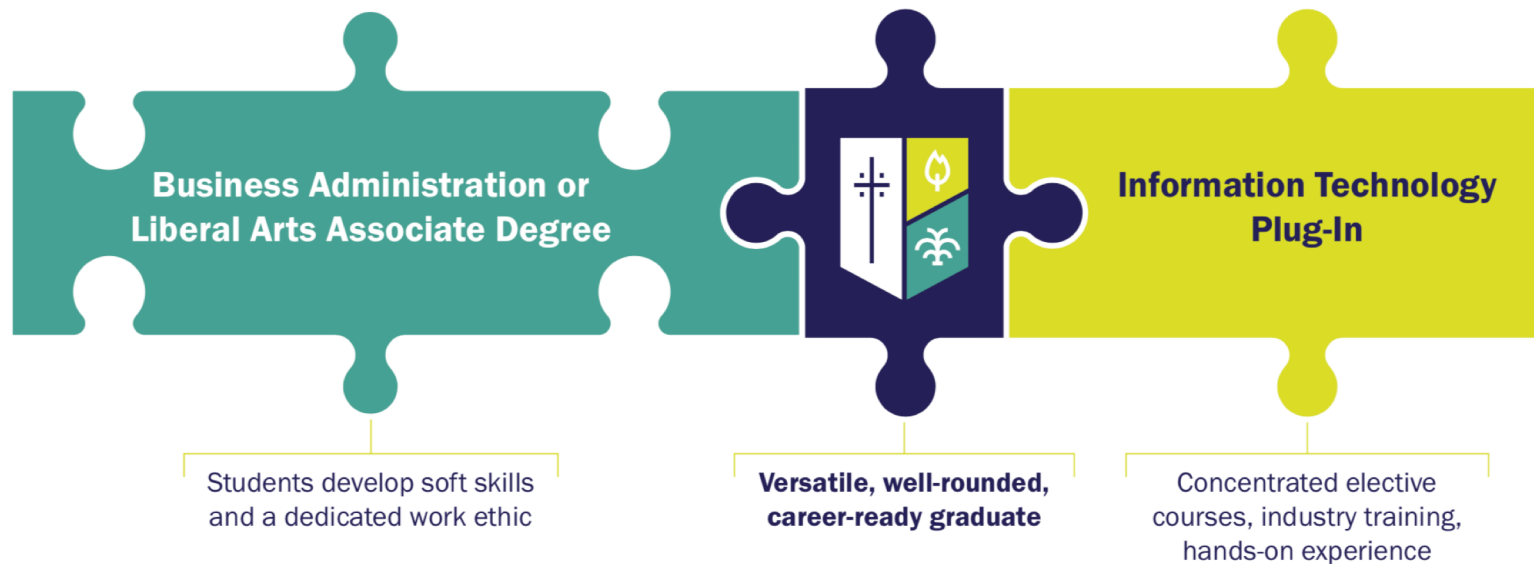

- Earn & Learn
  - Earn a post-secondary credential *while* gaining paid industry experience
- Curriculum/Training that reflects competencies in Indiana's key industries
  - Matches needs of employers, because employers help build
  - Interdisciplinary, project/problem-based approach
- Tuition & Fees
  - Structured to provide debt-free education to those who need it most
- Holistic, wrap-around support
  - If a student has an issue, we help them problem-solve
